

# Bernina Artista Instructional Classes

(For Models: 730, 200, 640, 630)

Included with this class are two 4 hour classes on operating the sewing machine and one 6 hour class on the Embroidery.

## Class #1 - Sewing

This class will include Bernina terminology, features and functions, navigating your machine, touch screen and sewing basics, buttons, tools, accessory options, needles, threads, proper threading and use of the needle threader.

## Class #2 – Sewing

This class will include basic sewing techniques, such as: seaming, edge finishing, blind hemming and buttonholes. Decorative stitching with functions. Programming the memory. Machine maintenance and much, much more.

## Class #3 - Embroidery

The basics of successful embroidery with your Artista module, including stabilizing basics, needles, threads, combining designs, adding lettering, using Wordart, changing colors, altering designs, rescale or resize, and general design information. Answers to the question—To hoop or not to Hoop?

\*An optional class for the BSR will be offered for those who wish to explore this wonderful free motion tool at a later date, with as mall class fee.
