

Mel's Sewing Service –Specialty Class Cutwork Welcome Banner

This is a great class for Bernina CutWork owners to continue to explore and learn more of the amazing things that this software is capable of.

Day 1 will be spent creating the appliqué lettering and converting an existing appliqué design to cutwork.

Day 2 we will cut the appliqués and assemble the project.

Supply List:

Day 1:

Laptop computer with the software loaded and the Dongle. Please have Service Pack 1 installed. You will find the free download at Berninausa.com/Support/Downloads.
